II. Background

On May 1, 2023, FMCSA published a notice announcing its decision to renew exemptions for three individuals from the epilepsy and seizure disorders prohibition in 49 CFR 391.41(b)(8) to operate a CMV in interstate commerce and requested comments from the public (88 FR 26647). The public comment period ended on May 31, 2023, and one comment was received.

FMCSA has evaluated the eligibility of these applicants and determined that renewing these exemptions would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved by complying with § 391.41(b)(8).

The physical qualification standard for drivers regarding epilepsy found in § 391.41(b)(8) states that a person is physically qualified to drive a CMV if that person has no established medical history or clinical diagnosis of epilepsy or any other condition which is likely to cause the loss of consciousness or any loss of ability to control a CMV.

In addition to the regulations, FMCSA has published advisory criteria¹ to assist medical examiners in determining whether drivers with certain medical conditions are qualified to operate a CMV in interstate commerce.

III. Discussion of Comments

FMCSA received one comment in this proceeding. The commenter believes applicants should take a seizure trigger education class as an additional requirement for applying.

FMCSA has granted these exemptions on the basis that all applicants have maintained their medical monitoring and have not exhibited any medical issues that would compromise their ability to safely operate a CMV. In addition, these applicants have been consistently monitored throughout their time of holding an exemption showing the maintenance of their conditions

IV. Conclusion

Based on its evaluation of the three renewal exemption applications and comments received, FMCSA announces its decision to exempt the following drivers from the epilepsy and seizure disorders prohibition in § 391.41(b)(8).

As of May 15, 2023, and in accordance with 49 U.S.C. 31136(e) and 31315(b), the following three individuals have satisfied the renewal conditions for obtaining an

exemption from the epilepsy and seizure disorders prohibition in the FMCSRs for interstate CMV drivers (88 FR 26647):

Kevin Addington (PA); Jose F.J. Maciel (CA); and John Shainline (PA).

The drivers were included in docket number FMCSA-2018-0054, FMCSA-2018-0057, or FMCSA-2020-0045. Their exemptions were applicable as of May 15, 2023 and will expire on May 15, 2025.

In accordance with 49 U.S.C. 31315(b), each exemption will be valid for 2 years from the effective date unless revoked earlier by FMCSA. The exemption will be revoked if the following occurs: (1) the person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained prior to being granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315(b).
